National Nominees Limited (NNL) and various other custodians hold shares in the Company as custodian and for which Ausbil is either:

- The responsible entity or trustee of a pooled investment product such as managed investment schemes (funds); or
- The investment manager of Portfolios held for a number of institutional investors. The institutional investors are generally superannuation funds regulated under the Superannuation Industry Supervision Act 1993.

The holding of shares in the Company was acquired as part of a wide portfolio of Australian shares acquired for the Funds and Portfolios.

Ausbil and the Custodians may hold relevant interests due to the capacity of these entities to dispose of the shares in the Company.

Each investor in a fund owns an individual interest in the Fund's assets; no investor directly owns any asset of the Fund. The unit holding of each Fund varies from time to time as clients enter and withdraw from the Funds. The various institutional investors with portfolios delegate the management of the Portfolios to Ausbil.
