

A MESSAGE TO CUSTOMERS, CLIENTS AND GUESTS OF NZME

NZME is committed to the health and wellbeing of our people, our partners and our audiences, and we believe that vaccination is the best option to manage the risks of COVID-19 and help us get back to enjoying the things we love.

From the **10th January 2022** we will be requiring My Vaccine Passes for all staff, contractors, and visitors in the following circumstances:

- Entering NZME offices (excluding reception areas) and including Ellerslie Print Plant facilities
- Attending outdoor or indoor locations or events where vaccination certificates are used
- Interacting with members of the public on behalf of NZME e.g., as a client representative at an NZME-led activation.

Your NZME contact will ask you to confirm your vaccination status and that of any of your team prior to entering our offices using the Government's [NZ Pass Verifier](#). Please note that no information from your My Vaccine Pass will be collected or stored by NZME.

If you're not fully vaccinated, please speak with your key NZME contact to discuss alternative contact options that can be arranged.

We will continue to update and review our policy in line with Government advice as New Zealand moves through the COVID-19 Protection Framework.

We appreciate your cooperation and understanding as we implement this new policy. We acknowledge this has been a challenging time for many and look forward to continuing our work with you as we look towards the future.
